29						\$107,712
30						\$108,790
31						\$109,877

Courses for professional growth requirements must be submitted to the administration for approval. Proof of graduate units acquired must be on file. The number of years granted for professional experience in another school district will be left to the discretion of the School Board. Only those collegiate semester units may be counted which were taken subsequent to the awarding of the Bachelors Degree.

Board Approved 3% 4/7/22
