

Requesting Classwork/homework due to an absence

When your student is out ill from school for more than one day, you may request the classwork/homework for your child to complete at home.

Please do the following:

1. Contact the school office to request the homework.
2. The secretary will email the teacher(s) to request the work.
3. It will be placed in the school office by 3:00 p.m. the next school day for pick up. (A student has one day for every absent day to make up the work.)
4. If your child will be out for more than 5 days due to an illness, please come to the school office to request a short-term Independent Study Contract. (See the website for details).

If you are communicating with the teacher, they will provide the work in the same manner as above, unless it is posted in their Google Classroom which many of our 4th-8th grade teachers use.

Questions: please contact the school secretaries or administration.
