

# Spring Grove School Tiger Talks

February 2023

www.ncjUSD.org

## From Our Superintendent/Principal

We are well into our 2nd semester of the school year and focused on mastery of grade level standards. Students are making great progress! We continually are assessing our students academically and using the data to provide support. The best thing you can do at home is to listen to your child read or

provide a quiet place for reading, and be sure to practice math facts with them (addition, subtraction, multiplication and division). These are the foundations to success with math. Your child's teacher will share their progress during Parent/Teacher conferences the week of March 6th.

## 2023/2024 REGISTRATION

Registration begins on February 6th in the school office for the following:

# SPRING PICTURE DAY FEBRUARY 7TH

## VALENTINE'S DAY

Your child's teacher will send home information if they will be celebrating. We ask that you do not send your child with large gifts for their friends (balloons, large stuffed animals, flowers). While it is fun to receive such gifts, it is important that we are not disrupting the learning environment.

Congratulations to our students. We won the SBCOE Fall Footsteps2Brilliance reading challenge with over 1.8 million words read. Keep on reading.
