From Our Superintendent/Principal

What a wonderful few days we have had with your children back on campus for learning. Our staff has worked so hard to get to this point. The smiles "through the face coverings" made our efforts so worth it. Please continue to be patient as we work through this new way of being on campus. Our class sizes are smaller with the AM/PM hybrid so your child will receive instruction that will support them where they are today. Friday is a school day at home. All students must complete all their work in the Google Classroom and submit it to receive credit for attendance on Fridays. Our teachers will spend Fridays prepping, planning, grading, and preparing for the next week! Together- the Spring Grove community is a wonder TEAM! Thank you.

SAFETY PROTOCOLS ON CAMPUS

It is our goal to keep Spring Grove open during these times. We need everyone's help. Anyone who comes on the school campus must wear a face covering and social distance. Any student who has a fever or COVID like symptoms is to stay home and do the all the work in their Google Classroom. If your child tests positive for COVID, please contact the school immediately and quarantine for 14 days. If your child is in close contact with anyone who tests positive, please also have them quarantine. Students are to keep up with their classwork in their Google Classroom.

Thank you for your help to keep everyone healthy!
