From Our Superintendent/Principal

It is a new year and we are planning for a wonderful 2nd semester with your students. We have worked very hard to keep our school open for on campus learning and we appreciate all your support and following all the new guidelines. We continue to ask you to provide support to your student and help them with the following:

Completing all assignments from class and in the Google Classroom.

Be sure your child logs on for their Friday at home learning.

Have your child read every night.

Check that your child has done 45 minutes of i-ready in both reading and math weekly.

REPORT CARDS

The first semester ended on December 18, 2020. Report cards for TK-3rd grade will be sent home. 4th-8th grades will receive their report cards in the mail. Report cards reflect mastery of grade level standards.

All students took the second diagnostic in reading and math in December. The results will be sent home with the report cards. Students who made great growth (stretch growth) will be recognized this month. Keep up the good work.

SPIRIT WEAR FOR JANUARY

SCHOOL RESUMES JANUARY 12TH!

Our 8th grade students under the direction of Mrs. Guardino are required to do a Community Service Project. With COVID and Distance Learning, our students have had to think outside of the box. They have come up with some great ideas that have benefits our students and our community. The projects have included the following: a virtual play, a canned food drive, and a ZOOM movie night! Watch for more exciting projects in the future.

KEYS TO STUDENT SUCCESS WINNER

Congratulations to Mrs. Lauren Martarano this year's recipient. Mrs. Martarano teaches our students with special academic needs. She has done a fantastic job providing support, instruction, time management, and organizational skills. We are lucky to have her as a Spring Grove Tiger.

THANKS TO ALL!!!

A huge thank you to our students and staff. We raised \$1,800 to help Ms. Esther with the 5 Buck Thursday. These funds will be used to replace the damages in her kitchen and medical expenses for her husband.
