

North County Joint Union School District- Spring Grove School

STUDENT TECHNOLOGY LOAN AGREEMENT

From the Desk of Mrs. Bernosky, Superintendent/Principal

The Spring Grove School mission of CHROMEBOOK distribution is to create a collaborative learning environment for all students. At this time CHROMEBOOKS and chargers will be loaned to its students only for educational purposes. All technology that is loaned to Spring Grove students is designed to increase the technical abilities of the student and/or to assist with school related activities. Please keep in mind that these devices are a part of the Spring Grove instructional program.

The parents/guardian of the student to whom this technology is loaned (hereinafter referred to as Borrower) agrees to the following:

- Will not hold the district responsible for any use of non-academic technology and any harm incurred by its use.
To secure the necessary insurance to cover the replacement cost (to present-day district standards) of the loan technology in case of loss/theft/damage when the technology is not in a school district-owned building.
Return the loaned item within 24 hours of a written request by the administration.
To take great care in preserving the equipment in good condition and will report in writing to the administration of any damage to said equipment within one working day of the damaging event. Borrower shall not attempt to make any hardware repairs without the express permission of the administration.
Keeping chromebook in good condition includes: *no personal stickers on chromebook; *no pen or pencil used on chromebook; *keep chromebook away from food and liquid; *no personal markings on chromebook
The term for this loan is for the 23-24 School year, however Spring Grove may require the return of this equipment at any time during the loan.
This equipment is intended for the sole use by the Borrower and his/her student ONLY FOR EDUCATIONAL PURPOSES. The equipment will be used at home and at school.
Inspect all equipment before delivery by Spring Grove and shall notify the administration of any defects or other objections to the equipment. If Borrower accepts delivery of the equipment, the Borrower is conclusively presumed to have accepted the equipment in good condition and repair.
The title to the loaned equipment shall at all times remain in the name of Spring Grove.
This agreement shall be governed by and construed under the laws of the State of California.
The borrower is liable to pay for a replacement if damaged in their possession. The value is \$376.00
The internet use agreement is in effect at all times.
