2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

The mission of the North County Joint Union School District and Spring Grove School is to ensure that every student will receive an engaging, enriching, and rigorous educational experience using Common Core State Standards-based curriculum and common formative assessments and support to ensure student success.

Spring Grove School is dedicated to meeting the goals listed below.

1. All students will reach mastery of essential grade level ELA and Math standards.
2. English Learners will be reclassified to Fluent English Proficient within 5 years.
3. Attendance - maintain 96.5% attendance rate.
4. Maintain a safe, clean and orderly campus.
5. Increase communication to ensure that all stake holders are informed as it relates to academics, attendance, and student events.

Spring Grove School is a one school district with 720 students based on the 2020-2021 CALPADS report. 453 students (63%) are Hispanic, 239 (33%) are white and the remaining 28 students (3%) are American Indian, Asian, African American and students with multiple ethnicity/races.

The school population is comprised of students whose families can trace their roots back to the abandoned one-room schoolhouses still visible in our district. Students come from generations of farming and ranching families. We also have students whose families migrated here from Mexico. In addition, there has been an influx of families that have moved here from outside of the county. The common element, however, is a belief in quality public education and high academic expectations.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	36.6
Intern Credential Holders Properly Assigned	0
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0

Total Teaching Positions	36.6

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Spring Groves School boasts a very clean and well maintained school. Custodians and maintenance employees work tirelessly to keep classrooms and other facilities in exceptional condition. Each year the school is thoroughly inspected by school board members. Their findings and suggestions are quickly addressed by the superintendent.

The following improvement are made regularly:

New carpets in classrooms and office buildings

Old and damaged furniture replacement

Gym floor restoration

New outdoor tables and benches complete with umbrellas (2020)

New fibar in playground

New exterior paint for classrooms and office buildings(first phase 2020) Library and classrooms (second phase 2021)

Addition of a 30' x 30' shade structure

Additional approved playground equipment

Stand up teaching desks for all teachers (2020)

Stand up desks for all secretaries and District Office staff (2020)

Other routine repairs and upgrades

High quality air purifiers installed in all heating/air conditioning systems(2020)

New computers and larger monitors (2021)

Security cameras around perimeter of the campus (2020/2021)

In addition to the list above, all classroom and exterior light fixtures have been updated with the latest technology and LED bulbs. Classrooms were also updated with dimmers for their lights. The District continues to increase Bandwidth which allows students and staff faster internet connection and will provide students the opportunity to complete the CAASPP Test efficiently.

All improvements are tied to the District Board of Trustee goals and objectives, to maintain a safe, clean and orderly campus environment.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents are actively involved in their children's education at Spring Grove School through membership in the Parent Teacher Organization, School Site Council, Asset Building Champions - Anti Bully Program, English Learner Advisory Committee (ELAC) and the Migrant Parent Advisory Committee. In addition, parents help out as classroom and school volunteers, guest speakers, and at special events. Parents have had multiple opportunities to contribute ideas during the development of the District's LCAP through surveys and meetings. As Common Core math strategies began to raise questions, the District continued to offer several math information workshops to help parents understand the shifts that were occurring. These math nights provided parents with strategies that they could use to assist their children with math homework. The District has also added parent training on reading strategies, Orton-Gillingham, digital citizenship, cyber-bullying, vaping, and cannabis.

Although parents are provided with many opportunities to be connected, parent involvement remains a top priority at Spring Grove School. Spring Grove is committed to improving communication with parents through providing translation of all information, keeping the school and District website as current as possible, and using social media.

The Spring Grove Parent Teacher Organization meets monthly on campus and hosts many annual fundraising and community events. The annual Wine and Roses Benefit helps raise the much needed funds the PTO uses to provide academic programs ie: field trips, Reading Counts, campus beautification, and computer programs. Funds raised by the PTO also help to provide improved technology in the classrooms, teacher wish lists, sport team uniforms and facility enhancements like benches, trees, landscaping and other campus beautification items. Additionally, Spring Grove PTO hosts a Fall Festival, fund raisers, Bingo Nights, Scholastic Book Fairs, and many other community events. The PTO enjoys encouraging and supporting staff, children and parents at Spring Grove.

The Spring Grove PTO is always seeking new members. More information regarding the Parent Teacher Organization and how they support Spring Grove can be found by visiting their website www.springgrovepto.com

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Spring Grove School provides a safe, clean environment for students, staff, parents and the community. A team of 4 custodial/grounds staff take pride in maintaining an organized, clean, and safe facility. A scheduled maintenance program is administered by the school in order to ensure that all classrooms and facilities are clean and well maintained. It is the goal of Spring Grove School to provide a safe, respectful environment for students as they learn.

The safety of students and staff is a primary concern of Spring Grove School. Spring Grove School has a secure campus with fencing surrounding the entire campus. All gates are closed and locked during the school day. All classrooms and office buildings are equipped with columbine locks. Additional lighting has been installed in the main areas of the campus to provide more security. To further secure the campus, each classroom and adjoining doors have been equipped with a "123 Lock-Down Latch" which can be used in a Lockdown or emergency situation. Cameras were installed around the perimeter of the campus.

The school is in compliance with all laws, rules and regulations pertaining to hazardous materials, and state earthquake standards. The Disaster Preparedness Plan is a key element in the School Safety Plan. It includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, and lock down drills are held on a regular basis throughout the school year. Emergency Plans and evacuation procedures are posted in each classroom and a five minute safety in-service is presented to the staff at each staff meeting. Yard duty staff are equipped with two way radios for communication and First Aid kits while on duty to maximize student safety on a daily basis. Annually, fibar is brought into the kindergarten and primary play structures to accommodate the underground playground safety code. A safety committee reviews and updates the safety plan and reports to the School Site Council. The emergency plan was last approved in March 2021.

The campus continued with online learning due to COVID-19 to start the 2020 school year. On October 28, 2020, the school went to a hybrid model for the rest of the 2020-2021 school year. All custodians, yard duty, kitchen staff, and administration were trained in disinfecting of the campus on a routine basis. PPE was purchased for all staff and rooms. These included: hand held sanitizer, disinfecting kits, face coverings for children and adults, gloves, signage, and plexiglass partitions in the school and district offices. Training was provided for all staff as well. Disinfecting took place daily between classes and after school.

During the 2021-2022 school year students and staff wear masks while inside the classrooms. Students hand sanitize when they enter and exit the classrooms. Social distancing is maintained when possible. COVID protocols are followed, as well as COVID reporting.

Having clear discipline policies and procedures as well as effective supervision is essential. All visitors on campus are required to sign-in at the school office and proceed directly to their designated area.

Professional Development

Spring Grove School continues to keep professional development a high priority. Teachers and administrators are actively involved in professional growth activities. These activities keep educators abreast of changes in curriculum standards, instructional materials, assessment and instructional strategies. Staff members are provided with time and resources for collaboration and planning. Professional improvement opportunities for teachers include training for new teachers, in-services and general staff development.

Professional Learning Communities (PLC's) continue to be a point of emphasis at Spring Grove School. PLC's are the most significant strategy for long-term school improvement. PLC's help administrators and teachers develop clear goals for student achievement and the strategies to maximize student performance. The main focus of PLC's is teacher collaboration. Every Thursday, the students are dismissed at 1:00 p.m. The remainder of the day is devoted to teacher collaboration for curriculum improvement based on data, targeted remediation, academic development and reassessment. All grade level teams provided an agenda. Administration reviews, comments, and provides supports from the agendas and attends PLC meetings.

Other training for staff include:

- Eureka Math Training for administrators and teachers
- CAASPP/Smarter Balanced training for the assistant principal and teachers
- Whole Brain Teaching
- Academic vocabulary building with a core group of K-8th grade teachers
- ELD curriculum training
- Special Education training and updates on the law for the Administrative School Psychologist/Special Education Coordinator
- Special Education training for resource teachers, classroom teachers, and Special Education Aides
- Technology training for teachers
- CTA - Good Teacher Conference
- NGSS training for teachers
- Integrating the Arts for teachers
- Math standards and pacing for teachers (2 days)
- PLC conference (3 days)
- Read 180 training and coaching for Special Education Teachers
- AVID for teachers and teachers and administrators
- Orton-Gillingham (phonics and reading) teachers and paraprofessionals
- Powerschool (SIS) Training
- Multi-Tiers System of Support (MTSS)
- i-Ready Reading and Math training for all teachers
- Distance Learning Training
- Google Sites and Google Classroom training
- Digital tools training for online learning provided by the San Benito High School District and the San Benito County Office of Education.
- Google training and support offered by NCJUSD Technology team and the Technology/Library Specialist
- Benchmark Advanced training for ELA
- Science of Reading- Really Good Reading training

Spring Grove School encourages all teachers in continuing their education and professional growth. Current listings of educational workshops and classes are posted in the staff room.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
