

Spring Grove School

Grading for Mastery in 4th-8th grade

Students receive grades based on mastery of grade level standards.

Students also have opportunities to practice and then retest when they have not mastered the standard the first time.

Points based on a rubric	Percentage	Academic mastery of standards
3 (3 in powerschool)	80-100%	Student has mastered standards. At or above grade level
2 (2.25 in powerschool)	65-79%	Student is making progress toward mastery of standard. Nearing grade level
1 (1.95 in powerschool)	Below 65%	Student has not mastered the standard yet. Below grade level
0		Student has not submitted the assignment yet.

Letter grades will appear in Powerschool for honor roll.
